APPENDIX II.

Press communique relating to the export of Steel Ingots to Burma, dated the 8th January 1938

With the separation of Buima on the 1st April 1937, steel ingots on which the duty of excise imposed by the Iion and Steel Duties Act, 1934 (XXXI of 1934), has been paid, or articles of non or steel injunfactured in British India from such ingots exported to Buima on or after that date are liable to a countervaring import duty on importation into that country Such goods so exported may claim refund of excise duty in British India under clause 9 of the Steel Ingots (Excise Duty) Order, 1931. With a view to avoid any dislocation of trade between India and Buima due to the inconvenience involved in claiming refunds under the ordinary procedure, a working arrangement has been concluded with the Government of Buima under which they have agreed to accept, in discharge of whatever countervaring import duty they might be entitled to levy on the goods, a certificate signed by the Collector of Customs at the port of shipment to the effect that the goods covered by the certificate would have been entitled to a refund if the exporter had exercised his option of receiving it in cash Necessary amendments to the Steel Ingots (Excise Duty) Order, 1934, have been made in this Department Notification No I-Central Excises, dated the 8th January 1938, and it is now open to the exporter of such goods to Buima to choose one or the other of the following two alternatives —

- (1) to receive the amount of refund due to him from the appropriate authority in British India, leaving it to the consignee to pay whatever countervailing duty the Government of Burma may demand from him on importation of the goods into Burma,
- (2) to accept the certificate mentioned above in full discharge of the refund due to him, thus securing entry of the goods. into Burma free of the countervailing duty
- 2 The application of this procedure will, for the present, be confined to the classes of goods covered by entries Nos 63(2), 63(3), 63(8), 63(9), 63(10), 63(12), 63(15), 63(17), 63(19), 63(20), 63(21), 63(25) and 63(27) of the Indian Customs Tariff Schedule. This list of items will be subject to amendment from time to time. Other goods will be exempted by the Government of Burma from the application of the countervaling import duty
- 3 The above procedure will not apply to individual consignments of less than one ton, which will also be exempted from the payment of the countervailing import duty in Burma
